Software Developer

Education

MASTER OF TECHNOLOGY (2020)

Post Graduated in Software Engineering from School of computer Science, DAVV University Indore.

Davv University, SCSIT, Indore

Experience

VINFOTECH PVT. LTD (2021)

Back-end Developer

- Developed and implemented robust and scalable APIs using CodeIgniter framework, enabling seamless integration of data and functionality into a mobile application similar to popular fantasy sports platform, Dream11.

DWELLFOX PVT. LTD (2022-2024) - April

Software Developer

- Collaborated on the development and design of diverse web applications, harnessing the capabilities of CodeIgniter, Laravel, Core PHP, and WordPress. Leveraged these frameworks to architect and implement efficient APIs, while also employing WordPress for intuitive and visually appealing website designs. Ensured seamless integration of data and functionality, delivering engaging and user-friendly web experiences.

RDX DIGITAL MARKETING - PRESENT

(2024) July

Software Developer

- Collaborated on the development and design of diverse web applications, harnessing the capabilities of CodeIgniter, Laravel, Core PHP, and WordPress. Leveraged these frameworks to architect and implement efficient APIs, while also employing WordPress for intuitive and visually appealing website designs. Ensured seamless integration of data and functionality, delivering engaging and user-friendly web experiences.

Profile

Web developer or engineer who works with both the front and back ends of a website or application. Provide an end-to-end service, and can be involved in projects that involve databases and building user-facing websites.
